### **RULES AND PROCEDURES FOR ALL ENTRIES**

*Theme: **Uniting the Orange & Green and A' We In-between***

#### **1. DISRUPTIVE PARTICIPANTS:**

The St. Patrick's Day Parade Committee reserves the right to bar or remove from the parade any entry which refuses to follow all instructions from parade pacers, parade officials, The St. Patrick's Day Parade Committee staff and/or police.

#### **2. SPECTATOR SAFETY:**

No Solicitation, literature, toy guns, candy or other materials may be handed out or thrown along the parade route... **Please do not encourage spectators to enter the parade route for any reason!**

#### **3. EXCESSIVE CONSUMPTION OF ALCOHOL OR POSSESSION OF ILLEGAL DRUGS:**

Consumption or possession of alcoholic beverages or illegal substances is forbidden by anyone anywhere throughout the parade, on any float or vehicle, or on the person of any participant.

#### **4. PACING:**

**Spacing between each unit will be enforced by parade officials.**

A unit will be required to close the gap between itself and the preceding unit when directed by parade officials. **Each unit must appoint a unit captain (to be named on the application) to pace the unit and work with the St. Patrick's Day Parade Pacers.**

#### **5. "NO SHOWS"**

An entry which fails to appear for the Parade without first notifying The St. Patrick's Day Parade Committee or Kokomo's Glass and Shutters' office, or an entry which does not comply with all rules, will jeopardize future invitations to participate in the St. Patrick's Day Parade.

**6. SIGNAGE:**

Use of political signs or other political material on any entry is prohibited on or around the parade route. In addition, any controversial statements or pictures on your unit will be reviewed for acceptance before the parade.

**7. MARSHALLING TIMES:**

Participants must arrive at their designated marshalling spot at the specified time (per acceptance letter instructions), or they will not be allowed to participate.

**8. IDENTIFICATION:**

Must be a part of the unit or appear on a tasteful banner preceding the unit. A carried banner should be weighted at the bottom and contain slashes to permit the flow of air.

**9. PARADE NUMBERS:**

Will be supplied by The St. Patrick's Day Parade Committee, and are to be placed on the front right and/or left corners of the entry. This includes walking units. The numbers must be visible.

## BAND UNITS

1. Bands are encouraged to perform over as much of the parade route as possible for the enjoyment of the crowd. Bands must perform while passing in front of the judging and reviewing stands.
2. All members of a band **must** continue to march forward while turning a corner, thus keeping pace with the rest of the parade.
3. Bands may not be followed by transportation buses or other large vehicles. This rule will be **strictly** enforced. Decorated golf carts or wagons are allowed.
4. Bands may be identified by banners or signs preceding the groups or by signage that is an integral part of the group. Vehicles may not be used to identify bands.
5. The band is encouraged to dress appropriately. If the band chooses not to wear regular uniforms, then it should select the dressiest uniform possible for summer weather. While uniforms are not included in the judging criteria, visual appeal has an impact on the judges.
6. All units must be at the specified marshalling spot on time or they will not be allowed to participate.

## WALKING UNITS

1. **Each walking unit should be costumed or have a choreographed activity/routine designed to entertain the people along the parade route.** This routine/act should be performed while the unit is moving at the parade pace, and should continue along the entire parade route. (The routine doesn't need to be elaborate... just simple, creative and **entertaining**).
